

Dear TLQ Lady Golfers,

Here we are at the close of another season. Where did the time go? The bad news is that it's time for our Birds to fly home for the summer. We will miss you all!

The good news is ... where do I start?

The desert will come alive with color as our wildflowers and desert plants bloom; the weather will warm and we will all be in our pools. Prices drop at our local golf courses. We will soon see the Blue Star crews on the course and at the restaurant preparing for our November opening. We have so much to look forward to and so much to be grateful for!

Our recent 18+9 mixer with the 9-Holers seemed to be a huge success. We had almost 50 participants.

We have a lot of kudos to extend to our sister golfers for March so let's get started.

First of all, congratulations to the Birds for their win in the Rats & Birds - by 3 strokes!!! A win is a win! Well done, Birds! And to Sandi Trotter for shooting her best game ever, 93, at the Rats & Birds.

Congratulations to Karen Cottenie who had a hole in one on March 1 at Big Rock on #14. Even though it was not on a sanctioned golf day, it was on our course of record which entitles her to receive a hole-in-one pin for her amazing effort!

Congratulations to Rita Sipe for her Eagle on #6 on March 4. Way to go, 'Gumby!'

Congratulations to Denise Tjalma for Most Birdies of the season and Lyna Newman for Low Net (64!) of the season.

Another congratulations goes to the winners of the YLE, Karen Cottenie for Flight A, Helen Richards for Flight B, and Sandy Jamison for Flight C. Great job, Ladies!

And a big congratulations to Phil Jamison and Debi Betts for their successful run for the TLQMA board. They will all need our continued support and prayers as they navigate and plan our new community.

There have been lots of injuries this year, knees, backs, wrist, etc. Please, Ladies, take the time to heal so we can all come back and enjoy our new *digs*!

Please don't forget our sister Margi McGraw in the loss of her husband. She needs our calls and prayers.

'The ability to speak other languages is an asset, but the ability to keep your mouth shut in any language is priceless.'

That's all for now.

Fairways and greens, and safe travels.
